Class of '54

"We," the class of fifty-four
End a chapter of life,
Holding our candle of knowledge high
To guide us through trouble and strife.

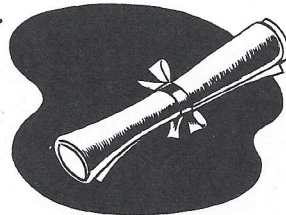

We shivered on Registration Day
In the fall of fifty-one,
But somehow passed Semester tests
And survived initiation.

Everyone shared in work and play
As Sophomores of fifty-two,
And felt we really did belong
Now that things were not so new.

Then, when our class rings came,
How happy and proud were we!
And thankful to be Juniors
In nineteen-fifty-three.

Seniors find there's much to do
In the way of preparation,
But everything will be ready
For the night of "Graduation."

When we leave the hilltop of learning,
And the place where we've been trained,
We won't forget to wisely use
The knowledge we have gained.

Class History

We started our first voyage as Freshmen on the sea of education in the year of 1950, with Miss Rebecca Hughes as the Admiral and thirty-five shipmates. During the voyage we lost Janice Polette to California and Betty Reed. Officers of the ship were: Winfield Scott as first-mate and assistant first-mate Frank Weikle. The log was kept by Virginia Vaughan and our treasure chest was guarded by Nancy Pryde. Beverly Caplinger and Rodney Hughes cheered the ship on its way as members of the Pep Committee and our ship's council members were Earlene Kaiser and David Boyer. As we dropped our anchor for the Homecoming, we chose Beverly Caplinger and Virginia Vaughan as queen candidates for the Homecoming Ball. During the winter our crew got together for a Christmas Ball. We elected David Boyer and Winfield Scott as King candidates and Elsie Hockaday and Beverly Caplinger for our Queen candidates to reign over this ball. As the ball comes to a successful close we are ready to start our second voyage.

Our second voyage was begun in the year of 1952 with Mrs. Irene Brandt as our Admiral and 33 shipmates. Officers of this voyage were: First-mate, Frank Weikle and Assistant first-mate, David Boyer. As our keeper of the log we chose Virginia Vaughan and the guardian of the treasure chest was Nancy Pryde. As members of the Pep Committee we chose Jo Kinkaid and Elsie Hockaday and as the ship's council members we chose Duane Miller and Beverly Caplinger. During this voyage we had the pleasure of having one of our shipmates elected as a cheerleader. In the middle of our voyage we lost Ted Pennypacker and gained Renata Johnson and Bill Summers making the total of shipmates for the year of 1951, 34. For our Homecoming Ball we chose Virginia Vaughan and Elsie Hockaday as Queen Candidates and for our Christmas Ball we chose Virginia Vaughan and Elsie Hockaday as Queen Candidates and Duane Miller and David Boyer as our King Candidates. So ends our Christmas Ball and another voyage on the sea of education comes to a close.

As ship officers for our third voyage in the year 1952-1953 we chose Elsie Hockaday as our first-mate, Frank Weikle as assistant first-mate. Charolette Jackson as the keeper of the log and Earlene Kaiser as guardian of the treasure chest. Ship's Council members were Duane Miller and Virginia Vaughan and Pep Committee members were Nancy Pryde and David Bover. We started with 35 shipmates and Mrs. Berry as our Admiral. During the year we lost Bill Summers and we ended our voyage with 34 shipmates. During this voyage we sold magazines to make money for our ship's prom. Our magazine sale and prom were a success. Snow King and Queen Candidates for our Christmas dance were Charolette Jackson, Elsie Hockaday, Duane Miller, and David Boyer. Our Homecoming Queen Candidates were Beverly Caplinger and Charolette Jackson. Thus we end our third voyage and are ready to begin our last and final journey on the sea of education.

Our last journey was begun in the year of 1953-54 with 34 Seniors. We gained Janice Polette at the beginning of the year. Our Admiral was Mrs. Berry. First-mate was David Boyer and assistant first-mate, Nancy Pryde. As keeper of the log we chose Elsie Hockaday and guardian of the treasure chest was Earlene Kaiser. Ship's Council members were Jeannie Lorton and Frank Weikle and Pep Committee Members were Sharon Bennett and Duane Miller. For Snow King and Queen we chose Beverly Caplinger, Janice Polette, David Boyer and Rodney Hughes. We were very proud of Beverly and David who were chosen King and Queen. For Homecoming Candidates we chose Elsie Hockaday and Virginia Vaughan. We were also very proud to have Elsie chosen as Queen of the 1953 Homecoming Dance. As we end our last voyage we remember the work and pleasure we have had in completing our last journey.

Driver's Training

This is the fifth year in which "behind-the-wheel" training in an auto that has been given in Maroa High School. However, classroom work, with "The Man and The Motor Car" as a basic text has been required and given for many years as part of the freshman general science course. Regular "behind-the-wheel" classes were held during the pupils' free periods. Seventeen pupils were enrolled the first semester and fifteen in the second semester.

A Chevrolet car was furnished free to the school through the courtesy and cooperation of the S.E. Burke Chevrolet Agency, Maroa, Illinois, and the Chicago Motor Club.

Mr. J.E. Kitowski, an approved and licensed driver's training instructor, was in charge of this practical course.

The chapter has moved into a very nice ag shop and classroom, with lots of good space to work.

The chapter has a chapter Sweetheart and this year is our fourth chapter Sweetheart. This year we are proud to elect Ruth Ann Braden as our chapter Sweetheart.

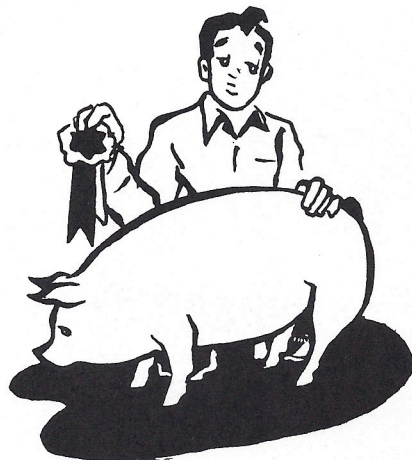

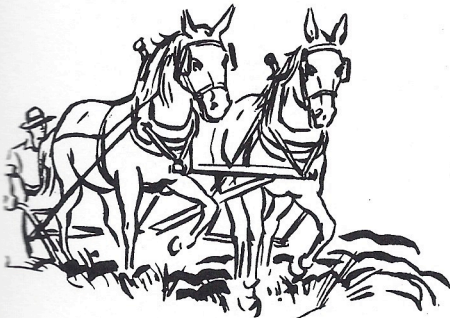

Trips are in hand and have been in hand for our chapter. We went on a trip to Research Acres and an overnight trip to Chicago. The officers went on a State and National Convention tour, at which John Rogers was elected Section 16 Vice President and John Rogers and Richard Rose received State Farmer degrees.

At the Sectional land judging contest this year, our team placed first and they will go to the National Contest. Team members were Duane Miller, David Boyer and Orville Dash.

Our livestock judging team won a blue ribbon at State Contest.

The chapter will participate in Grain and Poultry judging, livestock and dairy judging and Parliamentary Procedure contests and also the boys will show at all sectional fairs.

Dean Wikowsky sang in the National Chorus.

T. V. Program

Home Economics Class in an informal discussion in the living quarters.

F.H.A.

Building Today For Tomorrow is our theme for this year. Our eight purposes were summarized in the following goals:

1. Developing greater understanding among the homes of the world.
2. Training and improving ourselves to be more democratic in all phases of life.
3. Teaching ourselves to realize and accept our responsibilities in our home.
4. Understanding what homemaking can contribute to our future lives at home or in business.

We tried to keep in touch with each other through summer vacation with a box lunch at Betty Lienhart's in June. We played croquet and rode horseback.

August 31 we held a back-to-school wiener roast in honor of the new members and to renew old friendships.

September 14 we had a joint hayride and wiener roast with the F.F.A.

We had a double hobo day October 8 and 9 which amounted to \$89.99 profit. The club voted to continue making money to buy a davenport and chair for a family living center for the Home Ec room.

November 24 we had a cake walk after the basketball game and made \$19.55 which made it possible to purchase our family living center. Swartz Furniture Store gave us a 79% discount.

We observed National F.H.A. week by doing something different each day such as going to church, putting posters up in town, family surprise night, an assembly program, good deed day, and gave steam iron to the Home Ec department and put on a television program.

In January we had a family fun night for our parents and initiated our new members by candle light.

In addition we held a dance party, cooked and served FFA banquet and put on a style show with refreshments for the PTA on May 13.

Librarians

Mr. John Kitowski is teacher - librarian and assistant teacher - librarian is Mary Ann Melvin. Mr. Kitowski chose fifteen of the students to be student librarians. During their free periods, they are in full charge of the library and have certain duties to perform for which they are awarded points on the Maroa High School point system. These duties consist of keeping the newspapers and magazines in order, checking the books in and out to the students and teachers, cataloging them according to the Dewey Decimal Classification, collecting fines for overdue books, and helping in every way possible to improve the appearance of our library. Each librarian has charge of a certain section in the library. It is their duty to keep the books straightened and in correct order. Every year we receive new books to add to our shelves. For the last several years we have been sent State Library Books from Springfield. These have to be returned each year, but we all enjoy reading them while they are here. Regular meetings are held during eighth hour on the fourth Friday of each month in the library.

Our library received a gift of several hundred books of the month club books representing a sum of approximately five hundred dollars from Mr. and Mrs. Robert Bolen, Maroa. All of these books found in the Standard High School list have been placed on the shelves. All others will be carefully screened before being placed in the library. The Maroa High School is deeply grateful for this gift.

The C. A. P. cadet organization is designed to acquaint students with the characteristics of the air age.

The purpose of C. A. P. is threefold; 1. As a training corps in aviation and related subjects and perform practice missions; 2. As an auxiliary of the Air Force, it aims to support aviation in every way possible; 3. As a light plane air force in itself, it helps flight and ground missions in military or civilian emergencies.

Through the C. A. P. Cadet Program, the Illinois teenager, from 15 to 17, boy or girl, can receive academic training in aeronautical subjects, self-government, summer encampments, military reviews and various activities co-ordinated with senior members.

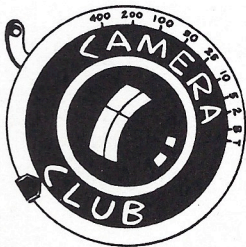

Camera Club

The purpose of the Camera Club is two-fold:

It will provide students with a good hobby that is both educational and profitable. Second, there is the possibility that it may form the basis for future vocational activities after graduation.

The fundamentals of amateur photography are taught which includes such lessons as: Operation of basis types of cameras, exposure calculations with various types of lens and shutters, lighting, composition of pictures, types and uses of films, and dark room procedure.

Team News

Maroa started the season with 30 boys out for the squad. We finished with 25 still with us. We had an average season in which we won 3, lost 4 and tied 1. We were hindered by injuries in several of our big games.

MAROA ROMPS SAYBROOK 27-7

We maintained a lead all through the game. We scored first when Creekmur played 2 yards for a touchdown in the second quarter. Weikle converted. A Weikle to Wisnasky pass for the second touchdown of the quarter and Weikle again added the extra point. They scored in the third quarter. In the fourth, Boyer scored on an 80 yard run and a 1 yard plunge by Lynch scored from the 4 with Weikle adding the extra point. We looked and felt good that day.

MT. ZOIN WINS 13-6

We opened our home season and conference season with a loss to a team that was rated our equal. It was a feature game in the area. At the half the score stood 0-0 and it was a hard fought game. They scored first but we tied them and it stood 6-6. Late in the fourth quarter they started a drive that resulted in their winning the game.

HEYWORTH SPOILS MAROA'S HOMECOMING 13-7

In the Heyworth game we were handicapped by the absence of two regular backs, Weikle and Boyer. With Runyen as captain and Chalcraft at quarterback we gave them everything we had, but the first quarter beat us. All their scores came while the game was still young. We got a safety in the 2nd quarter. In the second half we fought to a final stand still.

MAROA - ILLIOPOLIS TIE 13-13

Maroa tried to find the road to victory but came off with a tie. It was a costly game because we lost Creekmur for the season. Boyer scored late in the 2nd quarter and Weikle converted to tie the score 7-7. It stood that way at half time. Late in the fourth quarter with us trailing 13-7, Wisnasky hauled a Weikle throw in to tie it up on one of the better game plays of the season.

MAROA ROLLS ASSUMPTION 27-0

Query scored the first of four Maroa touchdowns and Weikle made the first of his 3 conversions. Lynch followed with Weikle again tossing the ball. In the second quarter

Frank Weikle went across on a quarterback sneak and missed his only attempt of the night. In the fourth quarter Frank again went over, this time from about the 20 and he added the extra point. We were on the road again and we weren't stopping.

MAROA ROMPS MOWEQUA 33-0

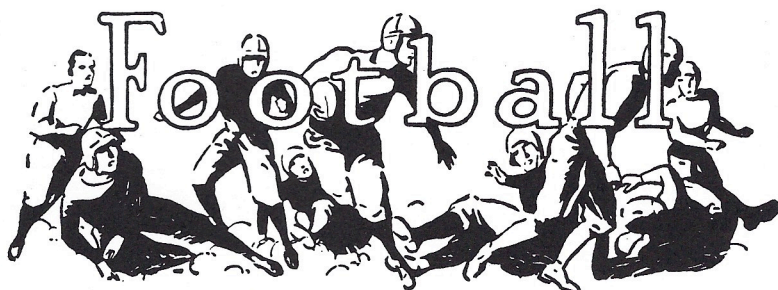

We kicked off and they lost the ball deep in their own territory. Two plays later Boyer scored from the 8 on an end run.

We again kicked off and Weikle scored, again converting the extra point successfully. In the second quarter Weikle hit Wisnasky for a TD. We lead at the half 21-0 as Weikle hit a Mowequa man for a safety. In the third quarter Weikle - Wisnasky's combination play lead to another touchdown, the 5th and final of the game. Plays later the game came to an end with Maroa on the top 33-0.

LOVINGTON UPSETS MAROA 13-7

Boyer scored on a 75 yard run in the second quarter for our first TD, with Weikle booting for the extra point. This did not take the Lovington team down to a stand still. They came back fighting harder than ever. Lovington scored their only two touchdowns and extra points of the game during the second half of the game.

This concludes our cruise of the 1953 football season in which Maroa came out in the top ranking of the Soya Conference. This was a year of good games but as usual a few bad ones appeared to spoil the undefeated season.

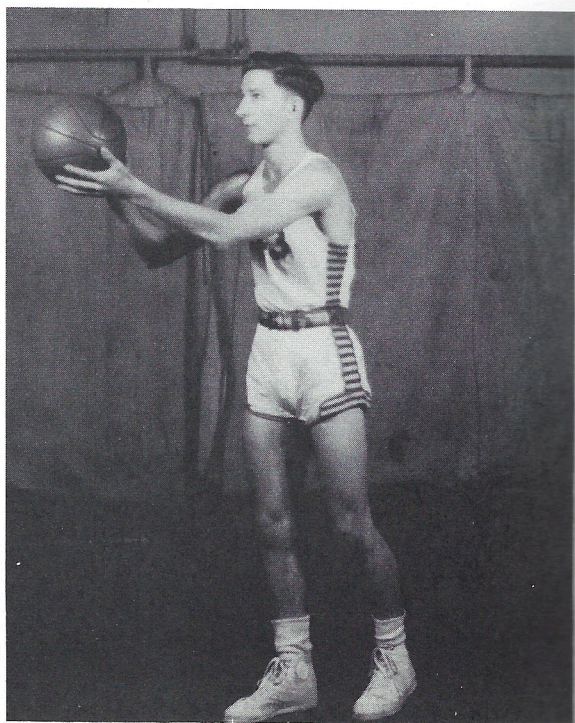

First row: R. Hughes, K. Chalcraft, F. Weikle, D. Miller, R. Biven.
 Second row: Coach Boyd, G. Luallen, L. Haines, D. Wisnasky, A. Alexander,
 Manager; R. Walden.

Dean Wikawsky

I hope that the Pirate brings many happy memories as you look through it now and in later years. It has been a great pleasure being able to make this book.

Elsie Hockaday

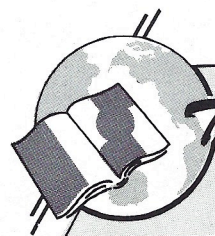

I've enjoyed assisting on the annual this year. It has been a pleasure to help compile this book of memories. I sincerely hope everyone will enjoy reading it just half as much as I've enjoyed helping with it.
